

An open Bible is the central focus, with its pages fanned out. To the left, a lit candle in a brass holder provides a warm glow. The background is a dark, wood-grained surface with a soft, ethereal light and numerous small, bright star-like specks, creating a magical atmosphere.

Genesis To Revelation

Walk Through The Bible

Genesis To Revelation

- Welcome to a new series that will take us through the whole Bible from beginning to the end
- We hope this resource will be a blessing to all Christians, Church leaders hoping to have a Discipleship program for their congregation and for parents wishing their children have a good grasp of the Scriptures

In The Beginning....

- So many Christians have a deficit when it comes to real Scripture knowledge.
- They have a clear set of beliefs which they have been taught depending on their church culture.
- Lots of Believers have NOT read through the Bible themselves to allow the Bible to 'shape' them. They have been 'formed' by others and not by God or the Scriptures.

In The Beginning...

- This course will shape your thinking and worldview.
- It would also bring out the YOU inside you. Everyone has their true self hidden within the scriptures.
- Reading the whole Bible draws this out of you.
- Get ready to become a different version of yourself as the Word scans and shapes you.

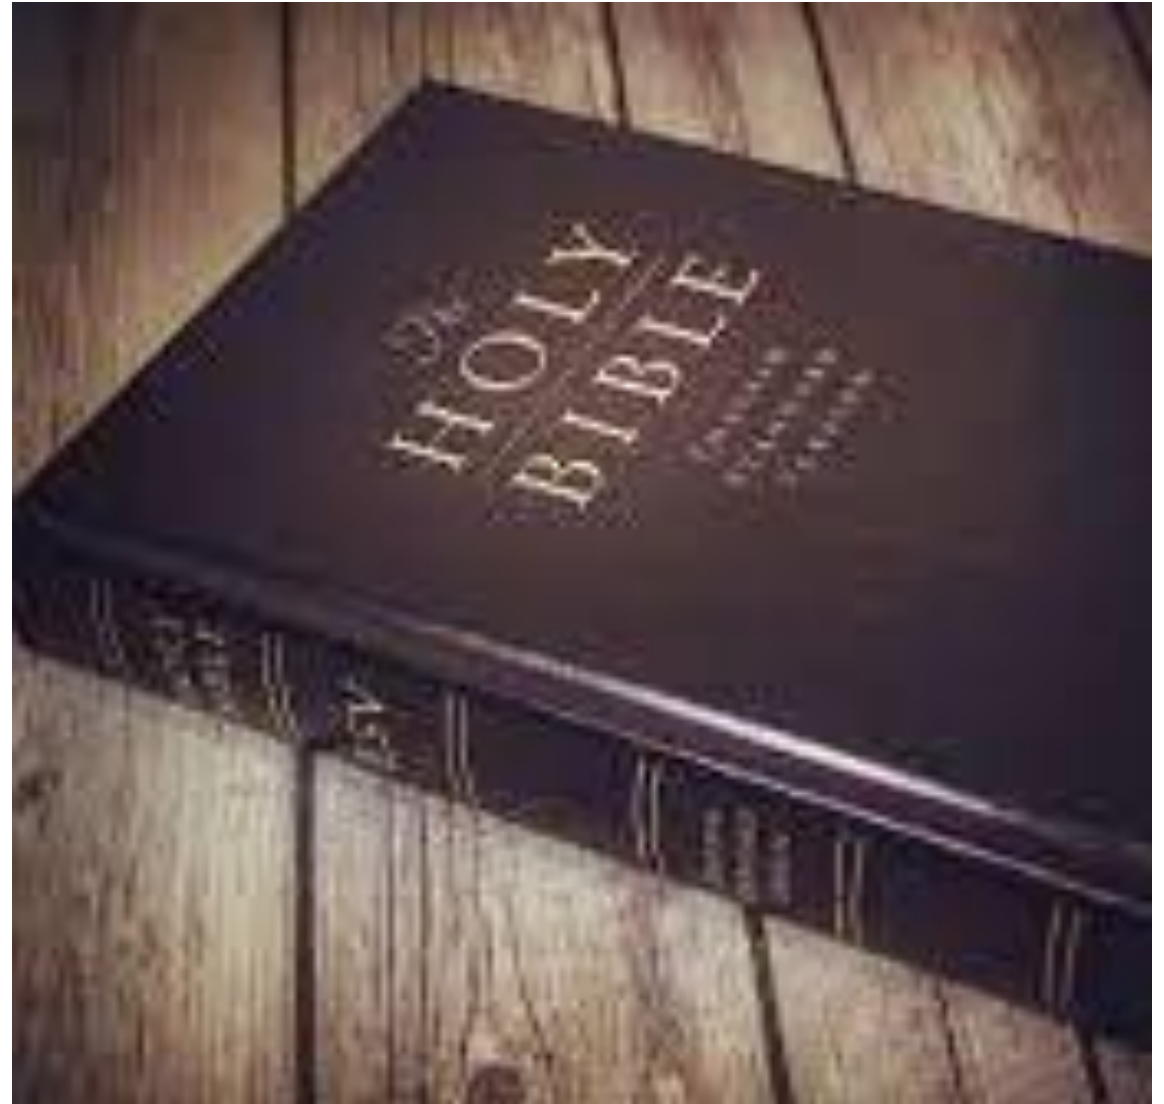

So That's What It Really Says....

- When you read the whole Bible through yourself, you may find common phrases your Preacher has used but now, in the right context.
- Sometimes or perhaps many times, Pastors or Church leaders take different parts of the Scriptures to say what they are not really saying.
- When You read it yourself, you and the Holy Spirit will reach conclusions you may not have held before. This is called Personal Revelation.

The Entrance Of Your Word...

- As you study and handle the passages yourself, big themes in the Word jump out at you.
- Grace, Salvation, Deliverance, Holiness, Love, Judgement etc..
- Your eyes are opened to your own take on what God has done and what that means to your life and destiny.

Take On The Challenge!

- Read the whole Bible??!!
- Yes!
- Lots of people have done it and we shall accomplish this together.
- The trick is to start with a bitesize approach and take one step at a time!

Put On Your Seatbelt...!

- The Bible is a collection of fascinating stories!!
- Some of the plot lines are very intriguing and amazing.
- Some of the Bible's contents will surprise you, whilst other bits will leave you wondering.
- The interesting thing is that the Holy Spirit of God wrote the Bible through Men.

Whhhhaaattt!!

- ²⁴ On the way to Egypt, at a place where Moses and his family had stopped for the night, the LORD confronted him and was about to kill him.
- Why would God commission Moses in Exodus Chapter three and without any warning, try to kill him in the very next chapter??

Are You Serious...??

- ¹² “Go and say to David, ‘This is what the LORD says: I will give you three choices. Choose one of these punishments, and I will inflict it on you.’”
- ¹³ So Gad came to David and asked him, “Will you choose three years of famine throughout your land, three months of fleeing from your enemies, or three days of severe plague throughout your land? Think this over and decide what answer I should give the LORD who sent me.”

Did This Really Happen...?

- ²⁰ And the LORD said, ‘Who can entice Ahab to go into battle against Ramoth-gilead so he can be killed?’
- “There were many suggestions, ²¹ and finally a spirit approached the LORD and said, ‘I can do it!’
- ²² “‘How will you do this?’ the LORD asked.
- “And the spirit replied, ‘I will go out and inspire all of Ahab’s prophets to speak lies.’
- “‘You will succeed,’ said the LORD. ‘Go ahead and do it.’

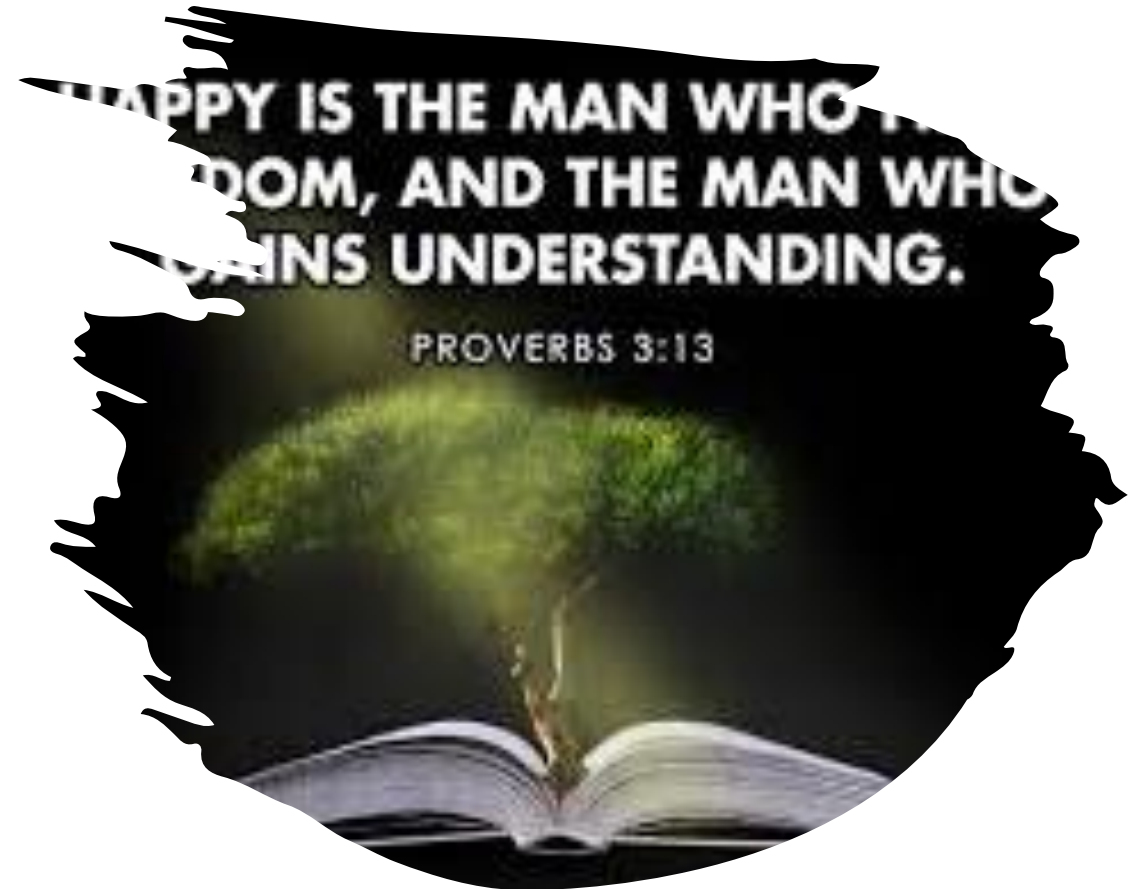

Decipher & Analyse Better.

- Bible reading equips us with the ability for sharper interpretation skills.
- We can discern from the text what is a descriptive passage to a prescriptive set of verses.
- The application of scripture is a very sensitive and growing skill for the mature Believer.

Wisdom cometh....

- As more of the Word enters your heart, your mind and consciousness becomes flooded with light and Divine Wisdom
- The Bible is a tree and fountain of knowledge and wisdom and understanding
- As you expose yourself and your mind to the Bible, an exchange takes place which is like the growing of a tree and which yields fruit.

Jesus is Everywhere....

- One of the most fascinating things you will find is that Jesus Christ the Messiah is everywhere in types and shadows and sometimes blatantly across the Old Testament...
